

SUMMER'S HERE AND IRRIGATION SEASON IS IN FULL SWING!

It's easy to save money with the free *Eye On Water* app

Sign up at MyWater.CMWC.net to...

Receive **leak alert** notifications by email or text.

Track your water usage down to the hour, day, month or year.

Compare your current usage to the previous year's usage.

"The Eye On Water application is an enormous value-adding offering, and I appreciate CMWC seeing this need and meeting it with this product."

~ CMWC Stockholder
